# MEMORANDUM

---

**DATE:** January 31, 2005

**TO:** Zoning Administration Division  
DSD Zoning Review Section

**FROM:** Walter Tellez  
Zoning Administrator

**SUBJECT:** LUC 2.9.1 "OS" Zone, Open Space along Silverbell Road  
Land Use Code: Zoning Administrator Determination

The City Attorney's office concurred with the Zoning Administrator that the M&C agenda item for "Designation of Open Space" for some city property along Silverbell Road would only "designate" the property as open space and does not rezone the property.

Note: the M&C decided to actually rezone the property in December 2006 to OS and not "designate it OS".
