The limits of the Multiple Resource Area coincide with the area surveyed under the John Spring Historic Survey, plus part of the Aviation Corridor Historic Survey, as described under item 6, and in item 7 under "Methodology." This surveyed area is known as "John Spring Neighborhood." It is bounded by the major traffic arteries of West Speedway Boulevard, North Stone Avenue, West Sixth Street, North Main Avenue, and the Southern Pacific railroad alignment. The Multiple Resource Area boundary is shown on an accompanying site map.
