Chad Kasmar  
Chief of Police

Early this morning, just after 2:00 a.m., a Tucson Police Officer was flagged down near N. Park Ave. and E. 2<sup>nd</sup> Street. in regards to a shooting in the area. As the officer responded and requested assistance, the Public Safety Communications Department (PSCD) began receiving several 9-1-1 calls reporting the shooting. Once on scene, officers were given a suspect description and an area search was initiated. The TPD Air Unit and K9 Units also responded to assist in the search; however, a suspect was not located.

Responding officers at the scene had located an adult male with gunshot trauma and immediately began rendering aid. Additionally, a second gunshot victim was located nearby with serious injuries. Upon arrival, Tucson Fire Department personnel pronounced the first victim deceased at the scene. Officers have identified that victim as 24-year-old **Harrison Weber**. The second victim, identified as a 21-year-old male, was transported to a local hospital in life-threatening condition but was later upgraded to stable condition. No other injuries were reported at the scene. Patrol officers had contacted several witnesses at the scene and called for detectives from the Homicide Unit to continue the investigation.

From initial interviews in conjunction with evidence recovered at the scene, detectives believe that two groups of individuals were involved in a confrontation which led to the shooting. Detectives are in the process of examining forensic evidence and conducting additional interviews in hopes of identifying the suspect and a motive. As detectives continue their investigation, they are urging anyone with information to come forward and call 9-1-1 or 88-CRIME, if they wish to remain anonymous. Additional updates will be provided as they become available.
