

August 2018:

Domestic Violence Court's Mentor Court Team recently visited Scottsdale City Court to share our experiences with the court and its partners. Judge Statia Hendrix welcomed our team of the judge, court coordinator, City prosecutors, City Public Defender, Pima County Adult probation officers, Emerge! representative, and treatment provider Next Steps, and she had a great audience on hand. We were able to have lunch with our peers, and share ideas and challenges.

Thanks Judge Hendrix and Scottsdale City Court!
