What's This On My Vehicle? Why Was It Put There?

The vehicle has been immobilized because the owner has three (3) or more unpaid parking citations. The City of Tucson has made every effort to contact you and arrange for the payment of these violations, but has received no response. The citations remain unpaid.

Tucson City Code (Sections 20-203 and 20-204) authorizes the immobilization of the vehicle until all outstanding fines and fees are paid.
