SUBJECT: REZONING - PLANNING & DEVELOPMENT SERVICES REPORT
TP-ENT-0124-00004 – Rincon Heights/Pie Allen Neighborhood Preservation Zone
Overlay (NPZ) (Ward 6)

Issue – This is a request by the City of Tucson Planning and Development Services Department, on behalf of the Rincon Heights and Pie Allen Neighborhood Associations, to rezone the residentially-zoned properties within the Rincon Heights and Pie Allen neighborhoods from R-2 and R-3 to NR-2 and NR-3 and adopting the Rincon Heights/Pie Allen Design Manual as a condition of the Neighborhood Preservation Zone (NPZ) overlay. Per Unified Development Code Section 5.10 which defines standards and procedure related to the Neighborhood Preservation Zone, an NPZ applies to residential zones only.

The proposed Rincon Heights/Pie Allen Design Manual includes dimensional and spatial standards for residential projects that are visible from the right-of-way and require a building permit. These standards, permitted by the NPZ enabling ordinance, are more restrictive than those permitted in the underlying zones, are detailed in Chapters 2 and 3 of the attached Design Manual, and are summarized in the Design and Historic Preservation Considerations of this communication. The Mayor and Council may adopt these standards for purposes of a compatibility review. The Design Manual is also available here: www.tucsonaz.gov/Departments/Planning-Development-Services/Public-Meetings-Boards-Committees-Commissions/Zoning-Examiner.

The rezoning area is bounded by Euclid Avenue on the west, sections of 6th Street, 7th Street and 8th Street on the north, Campbell Avenue on the east, and sections of 10th Street and Hughes Street on the south (see Case Location Map).

Planning & Development Services Recommendation – The Planning & Development Services Department recommends approval of NR-2 and NR-3 zoning, subject to the attached Rincon Heights/Pie Allen Neighborhood Design Manual.

Background Information

On June 10, 2008, the Mayor and Council adopted NPZ enabling Ordinance No. 10548 in response to an increasing number of historically incompatible structures being constructed in National Register historic districts near the University of Arizona. To be eligible for the NPZ, neighborhoods must be: 1) Listed on the National Register of Historic Districts or are eligible for the National Register of Historic Places and have completed a nomination or eligibility assessment application; and, 2) Initiated by the Mayor and Council.

The NPZ enabling ordinance allows the creation of overlay districts designed to preserve, protect, and enhance the unique character and historical resources of established city neighborhoods. The NPZ is implemented on a neighborhood-by-neighborhood basis and requires the development of a neighborhood-specific design manual and a rezoning of the neighborhood to include the NPZ overlay.

The purposes of the NPZs are “to preserve, protect, and enhance the unique character and historical resources of established City neighborhoods” and “to provide for the creation and establishment of neighborhood-specific design manuals”. The NPZ is an overlay zone superimposed over the development regulations of the underlying zoning. The land uses permitted within the NPZ district are those permitted by the underlying zoning. New development of buildings and additions/modifications to existing buildings within the NPZ are subject to the Design Manual and must be historically compatible with nearby contributing properties to the National Register Historic District.

On April 20, 2021 the Mayor and Council initiated the Rincon Heights/Pie Allen neighborhoods for the Neighborhood Preservation Zone (NPZ) rezoning process, which includes a neighborhood-specific design manual.

Existing Land Use: The Rincon Heights and Pie Allen neighborhoods are predominantly residential lots.

Existing Zoning Descriptions:

Urban Residential Zone (R-2) – Provides for urban, medium density, single-family and multifamily, residential development, together with schools, parks, and other public services.

Urban Residential Zone (R-3) – Provides for urban, high density, residential development and other uses compatible with adjoining residential uses.

Surrounding Zones and Land Uses:

North: Zoned HR-2, R-2, R-3; University of Arizona and Retail/Commercial

South: R-3, O-3, C-1, C-2; Residential, Retail/Commercial, and TUSD Facilities

East: Zoned R-2, OCR-1; Residential and Tucson High School

West: Zoned R-2, R-3, C-3; Residential, Retail/Commercial and Water Resources Research Center

Previous Cases Within the Proposed NPZ: Sunshine Mile District Urban Overlay (SMD), adopted by the Mayor and Council on September 14, 2021 (Ordinance No. 10548).

Related Cases:

C9-11-01 Jefferson Park Neighborhood Preservation Zone, R-1, R-2 & R-3 to NR-1, NR-2 & NR-3. This was a rezoning request for Jefferson Park’s Neighborhood Preservation Zone and Design Manual. On June 21, 2011, Mayor and Council adopted Ordinance No. 10917, which became effective on July 21, 2011.

C9-09-07 Feldman’s Neighborhood Preservation Zone, R-1, R-2 & R-3 to NR-1, NR-2 & NR-3. This was a rezoning request Feldman’s Neighborhood Preservation Zone and Design Manual. On November 9, 2009, Mayor and Council adopted Ordinance No. 10727, which became effective on December 9, 2009.

Public Outreach – The Rincon Heights and Pie Allen Neighborhood Associations held a public meeting on September 12, 2019, three webinars on March 4-6, 2021, a Block Party on April 10, 2022, and a formal neighborhood meeting on October 28, 2023. Documentation and details are included in the Neighborhood Letter and Outreach Timeline, dated January 23, 2024. Examples of items raised by attendees include: a) Additional costs for property owners; 2) NPZ applicability to University of Arizona development; 3) Balconies overlooking adjacent properties; 3) NPZ applicability to Accessory Dwelling Units.

Applicant’s Request – Establish the Rincon Heights/Pie Allen NPZ through the rezoning of residentially-zoned properties in the Rincon Heights and Pie Allen neighborhoods from R-2 and R-3 to NR-2 and NR-3 and adopting of the Rincon Heights/Pie Allen Design Manual as a condition of the NPZ.

Planning Considerations – Land use policy for this area is provided by *Plan Tucson* and the *University Area Plan (UAP)*.

Plan Tucson designates the project site as part of the Existing Neighborhoods building block. Existing Neighborhoods are primarily developed and largely built-out residential neighborhoods and commercial districts in which minimal new development and redevelopment is expected in the next several decades. The goal is to maintain the character of these neighborhoods, while accommodating some new development and redevelopment and encouraging reinvestment and new services and amenities that contribute further to neighborhood stability. *Plan Tucson* policies (*H3, H4*) call for the improvement of housing conditions in aging and historic neighborhoods. *Plan Tucson* policy HP6 and HP7 calls for the mitigation of impacts on historic resources caused by construction, and the evaluation of the benefits of new development relative to historic preservation in land use decisions. *Plan Tucson* policy LT4 calls to ensure urban design that is sensitive to the surrounding scale and intensities of existing development.

The [University Area Plan](#) overall goal is to recognize distinct neighborhoods in the University Area, and support those changes that protect and enhance the character, identity, and residential quality of life in these neighborhoods. The Neighborhood Conservation/Historic Preservation goal is to preserve and enhance the historic character and residential quality of life in University Area neighborhoods. General Policy 4 requires demonstrating sensitivity to surrounding uses in the design, location, orientation, landscaping, screening, and transportation planning of new development.

Planning, Design and Historic Preservation Considerations – Both Rincon Heights and Pie Allen neighborhoods are part of the National Register of Historic Places. The National Register is the official list of the nation’s historic places worthy of preservation. This designation has the effect of allowing certain property owners a tax credit but has no zoning impact. The proposed Rincon Heights/Pie Allen Design Manual defines parameters for new development and redevelopment, such as the construction of new buildings, significant additions to existing buildings, and new walls and fences, to be architecturally compatible with the defining characteristics of nearby historic structures that are contributing to the Rincon Heights and Pie Allen National Register Historic Districts. The Design Manual is organized to assist an applicant to design a residential project in compliance with NPZ requirements and describes the review and approval procedure.

The proposed Rincon Heights/Pie Allen Design Manual is comprised of two key components:

- 1) Regulatory Component – The Design Manual requires projects to comply with applicable Design Review Criteria and Privacy Mitigation standards.
 - a. Design Review Criteria. The NPZ enabling ordinance establishes the elements that are to be used when determining a project’s compatibility. The Design Review Criteria are the key features of the streetscape in the Rincon Heights and Pie Allen neighborhoods, and include:
 - i. Front yard
 - ii. Scale, massing and articulation
 - iii. Rhythm
 - iv. Architectural style
 - v. Exterior walls
 - vi. Vehicular use areas
 - vii. Landscaping
 - viii. Pedestrian ways
 - ix. Porches
 - x. Roofs
 - xi. Windows

The defining characteristics, applicability, and requirements are provided for each criterion.

The Design Manual includes dimensional standards that are more restrictive than those of the underlying zone as follows:

Standard	Proposed Requirement	R-2	R-3
Building Height	New construction should maintain the human scale of the streetscape when visible from the street. Articulation techniques should be used to help breakup building mass.	25'	40'
Setback	Front setback is uniform with neighborhood. Side yards are similar in width. Second-story additions to existing historic properties are setback.	6' or 2/3 the height of the proposed structure, whichever is greater.	10' or 3/4(H) the height of the proposed structure, whichever is greater.

- b. Privacy Mitigation. Chapter 3 classifies the types of privacy mitigation into four categories: Windows, balconies, screening of front, side and rear yards, and exterior lighting. Windows and balconies include Requirements and Strategies. Screening of yards includes Advisory Guidelines, while the exterior lighting includes Requirements. Examples of Privacy Mitigation include orienting windows away from neighbor’s private yards and windows, rear-facing balconies to be recessed into the house, rear yards may be screened by walls, fences or vegetation, with the latter being preferred.
- 2) Incentives Component – The Design Manual includes Incentives that would be conditionally permitted for certain dimensional, spatial and access standards currently applicable in the underlying zones. Examples of Incentives are:
- a. Alleys may be used for access and maneuvering, with the condition that surfacing may be required;
 - b. Lot coverage increase up to ten percent (10%) permitted by the underlying zoning, with the condition of retention of the contributing status of a building whenever practicable.

NPZ Design Review – Should the Rincon Heights / Pie Allen Neighborhood Preservation Zone be established, all new development that meets the criteria defined in the Unified Development Code and Design Manual will require design review and approval. As part of this review, the Design Professional will review applications for compliance with the regulatory aspects of the Design Manual and forward a written recommendation with findings to the Planning and Development Services Department Director for consideration. The Director will render a decision whether the application is in compliance or non-compliance with the design manual. If a project is found to be noncompliant, the applicant may redesign and resubmit the project for review or appeal the Director’s

decision to the City’s Design Review Board. Notice of the PDSB Director Decision is mailed to neighboring property owners and is subject to appeal.

Conclusion – The NPZ enabling ordinance allows the creation of overlay districts designed to preserve, protect, and enhance the unique character and historical resources of established city neighborhoods. The NPZ is implemented on a neighborhood-by-neighborhood basis and requires the development of a neighborhood-specific design manual and a rezoning of the neighborhood to include the NPZ overlay.

In response to an increasing number of non-historically compatible structure in historic districts near the University of Arizona, the Mayor and Council adopted the Neighborhood Preservation Zone (NPZ) enabling ordinance. The NPZ process includes the development of a neighborhood-specific design manual and rezoning to establish the NPZ overlay. The Mayor and Council initiated the Rincon Heights/Pie Allen Design Manual. The draft Design Manual has been prepared and the rezoning process has been initiated. Upon establishment of a NPZ overlay zone, new structures and additions/modifications to existing structures visible from the right-of-way that require a building permit must be historically compatible with the surrounding area and must comply with the applicable design manual. The proposed Rincon Heights/Pie Allen Design Manual provides parameters that meet the purpose of the NPZ enabling ordinance, and it is in compliance with *Plan Tucson* and the *University Area Plan*. The proposed rezoning and Design Manual will be considered by the Mayor and Council. Staff recommends approval of the rezoning of the Rincon Heights/Pie Allen neighborhoods to include the Neighborhood Preservation Zone as an overlay zone, and furthermore, that applicable property be subject to the Rincon Heights/Pie Allen Design Manual as a condition of this rezoning.

CITY OF TUCSON PUBLIC HEARING NOTICE

The Zoning Examiner will hold a public hearing on **March 14, 2024 at or after 6:00 P.M.** to consider the creation of a zoning overlay that would require “N” zoned properties to meet the requirements of the Rincon Heights/Pie Allen Design Guidelines Manual when new construction on residential “R” zoned properties require a building permit. Copies of the proposed request can be obtained from the City of Tucson Planning & Development Services Department Rezoning Section, located at 201 North Stone, Tucson, Arizona. If you have any questions, please contact the Rezoning Section at 520-791-5550.

MEETING NOTE: This meeting will be held remotely through technological means, as permitted under Arizona law. The public hearing discussions, deliberations, and actions of the Zoning Examiner are transparent and conducted openly.

THIS MEETING IS VIRTUAL ONLY, NO IN-PERSON ATTENDANCE.

The Zoning Examiner, on behalf of the Mayor and Council, conducts a public hearing and considers testimony for each rezoning in the City of Tucson. The Zoning Examiner may impose reasonable limitations on the number of speakers and the length of the testimony.

After the Public Hearing, the Zoning Examiner issues written reports with findings of fact and a recommendation. A preliminary report is issued five working days after the close of the public hearing. A final report is issued 14 days after the close of the public hearing and transmitted to the Mayor and Council. Any person may request a public hearing before the Mayor and Council provided the written appeal is filed with the City Clerk within 14 days after the close of the Zoning Examiner's public hearing. The Mayor and Council make the final decision on all rezoning requests.

Please join the Zoning Examiner hearing from your computer, tablet, or smartphone. Members of the public may view, listen to, and participate in the hearing online by going to the Zoning Examiner website and clicking “Join Meeting” at the top of the page. The Zoning Examiner website may be accessed at the following location:

If you encounter difficulty accessing the hearing, please send an email to TucsonRezoning@tucsonaz.gov for technical assistance.

The public has the following options to provide comment to the Zoning Examiner:

- 1) Members of the public may submit written comments prior to the hearing by sending an email to TucsonRezoning@tucsonaz.gov. The email should include the Zoning Examiner public hearing date, the case number or name, and your name. **Written comments must be received no later than 5:00 pm March 13, 2024.**
- 2) Individuals wishing to speak during the hearing may join the hearing via teleconference and should submit a written request to TucsonRezoning@tucsonaz.gov. **Written request should be received by no later than 5:00 pm March 13, 2024.** The email should include the Zoning Examiner public hearing date, your name, and the phone number you will use for the teleconference. The phone number provided will be used to identify the individual when/if being called upon to speak during the public hearing by the Zoning Examiner. Individuals wishing to speak but who did not submit a prior written request will be provided instructions by the Zoning Examiner at the time of the hearing on how to provide comments.

You may speak in favor or in opposition to the rezoning during the public hearing. You may also submit a written approval or protest.

Case: TP-ENT-0124-00004 – Rincon Heights/Pie Allen Neighborhood Preservation Zone (NPZ) (Ward 6)

Requested Change: To rezone residentially-zoned properties in the Rincon Heights and Pie Allen neighborhoods by adding the Neighborhood Preservation Zone (NPZ) overlay. Specifically, the proposed rezoning is from R-2 and R-3 to NR-2, & NR-3 (“N” = NPZ overlay zone). The Rincon Heights/Pie Allen Neighborhood Design Manual is a proposed condition of rezoning.

Location: Euclid Avenue on the west, sections of 6th Street, 7th Street and 8th Street on the north, Campbell Avenue on the east, and sections of 10th Street and Hughes Street on the south.

Proposed Development: No new construction is associated with this rezoning request.
