

Peddler License Packet **Applying for a Peddler License in the City of Tucson**

If you intend to operate a peddler business within the City of Tucson, you must apply for a business license. A separate peddler license is required for each business name or location from which a peddler business will be operated. A peddler license is valid for one year and a new application is required each year. A peddler license is not transferable to new locations.

General Regulations for Peddlers in the City of Tucson

All peddler activities must be located on commercial or industrial zoned property. Residential property cannot be used for peddler activities. Information on the zoning of a property can be obtained online at pro.tucsonaz.gov or by emailing Zone1.Desk@tucsonaz.gov.

The hours of operation for a peddler are from 6:00 a.m. to 11:00 p.m. A time extension may be granted if a peddler is located more than 200 feet from residential zones or if a peddler receives a time extension through the Special Approval Process.

All personal property, vehicles, and equipment, including ramadas, must be removed from the site when not operating.

A notarized proof of the property owner's permission for use of the private property is required for new licenses and with renewal application each year.

Use of the public right-of-way, including sidewalks and dirt areas along roadways is prohibited except for the Downtown and Fourth Avenue Business Zones. Permission for right-of-way use in these areas must be given by the City's Transportation Department, Engineering Division (520-791-5100). Permission is only for the Downtown and 4th Avenue business zones.

A site/location plan showing all vending, parking, and seating areas is required for all peddler licenses.

Setbacks to follow:

1. 100 foot setback from any residentially zoned property;
2. 20 foot setback from any curb or right-of-way pavement;
3. 100 foot separation from another peddler or the same site; and
4. 100 foot separation from another peddler on City property or right-of-way.

Peddler licenses are good for one year. A new license must be applied for each year. The cost is \$181.50 per year. The current, valid peddler license must be displayed in a conspicuous location that is visible to the public.

Advertising signs, other than on the peddler vehicle, are prohibited.

The site must be maintained in a clean manner and a trash receptacle must be provided.

External electric generators are allowed provided the generators meet federal guidelines. Peddler vehicles must be self-contained for all utilities. No permanent or temporary utility connections are permitted on the property.

A peddler's license may be revoked if the peddler operates in violation of the Peddler Ordinance or is convicted of certain offenses.

All peddlers handling food or beverages must obtain a Health Permit. Contact Pima County Health Department Consumer Health and Food Safety at 520-724-7908.

Site/Location Plan Requirements

Vacant Undeveloped Land

Peddlers planning to setup on a vacant, undeveloped property will need a site/location plan on paper [8 1/2" x 11"] showing the following information:

1. The shape and dimensions of property with a north arrow;
2. The location of the peddler's setup including parking area;
3. Area for tables and ramadas;
4. The distance from the nearest residential zone;
5. The distance from setup to all property lines; and
6. The vehicle access from the adjacent roadway.

The site/location plan must include the same information as shown on the sample drawing included with this handout. The site/location plan can be hand drawn by the applicant for vacant property.

Developed Land

For all developed property, the site plan on file in the Records Section of the Planning and Development Services Department (PDSD) can be used. Peddlers planning to setup on a developed site such as a paved parking lot in front of a store or shopping center will need to submit a detailed site plan showing parking for review and approval before getting their business license. If the peddler will operate when all businesses on the site are closed, the parking detail is not required. The site plan must include the same information as shown on the sample drawing included with this handout.

Special Exception Process

A peddler is prohibited from operating between the hours of 11:00 p.m. and 6:00 a.m. A peddler who wishes to operate after 11:00 p.m. or before 6:00 a.m. must apply to the director of the Planning and Development Services Department for a **Special Exception Process** to allow such an operation. If the Director determines that the peddler's operation is more than 200 feet from the nearest residentially zoned property and the peddler has no convictions for violations of the Peddler Ordinance within the previous 12 months, the director is required to grant the request for the time requested by the peddler. If the peddler's operation is within 100 to 200 feet from the nearest residentially zoned property, the director refers the application to the Zoning Examiner.

The Zoning Examiner holds a public hearing within 60 days after receiving the application. The Chief of Police, all residents within 400 feet of the peddler's operation, and registered neighborhood associations within a mile are notified of the public hearing. After conducting the public hearing the Zoning Examiner may grant the request for extended hours of operation based on the extended hours not being detrimental to the peace and quiet of the neighborhood or to the public safety. The Zoning Examiner's decision is final and may not be appealed.

1. La configuración y dimensiones de la propiedad, indicando el norte,
2. La posición del puesto, incluyendo el área de estacionamiento,
3. La ubicación de las mesas y cobertizos,

Sitio Desarrollado

Para todos los sitios desarrollados, se puede utilizar el plano del sitio archivado en la sección de Archivos del Departamento de Planificación y Servicios de Desarrollo (PDSD por sus siglas en inglés). Los vendedores ambulantes que planean situarse en un sitio desarrollado, tal como en el de estacionamiento de una tienda o centro comercial, deberán presentar un plano detallado del sitio mostrando el área de estacionamiento para su revisión y aprobación antes de obtener su

Proceso de Aprobación Especial

Se prohíbe a los vendedores ambulantes operar entre las 11:00 p.m. y 6:00 a.m. Un vendedor ambulante que desee operar después de las 11:00 p.m. o antes de las 6:00 a.m. deberá solicitar al director del Departamento de Planificación y Servicios de Desarrollo, un **Proceso de Aprobación Especial**, para que se le permita tal operación. Si el director determina que la operación del vendedor ambulante estará a más de 200 pies de la propiedad residencial más cercana, y el vendedor no ha sido convicto de violaciones a las regulaciones para vendedores ambulantes dentro de los últimos 12 meses, el director deberá otorgar el permiso para el período solicitado por el vendedor. Si la operación del vendedor ambulante está situada dentro de 100 a 200 pies de la propiedad residencial más cercana, el director remitirá la solicitud al Examinador de Zonificación.

El Examinador de Zonificación llevará a cabo una audiencia pública dentro de 60 días de haber recibido la solicitud. El jefe de policía y todos los residentes registrados dentro de 300 pies de la operación del vendedor ambulante y todas las asociaciones de vecinos registradas a una milla a la redonda serán notificados de la audiencia pública. Después de haber llevado a cabo la audiencia pública, el examinador de zonificación quizás otorgue el permiso para ampliar el horario de operación basado en que dichas horas no serán un detrimento a la paz y tranquilidad de la zona residencial o a la seguridad pública. La decisión del examinador de zonificación será final y no se podrá apelar.
